

## EngineCheckUp Marine Transmission Test Package

**Award Winning and Patented Radial Planer Chromatography Technology**

**Monitor and Trend Transmission Fluid to Avoid Costly Repairs**

**FAST, EASY and ACCURATE**

The health of marine transmission fluid is easily determined with one drop on the test medium. Reference the enclosed guide indicating good, change or overdue results. The results are of particular value with boat owners, mechanics and brokers, as maintenance is often overlooked and transmission fluid condition difficult to ascertain.
